After reading the instructions, users will be presented with a new window within PayPal. Users will be given the option to pay the \$100 fee with either a PayPal account or a credit/debit card.

Once payment has been received, users will be returned to the assessment (ClassMarker) and begin reviewing the material.

BEGINNING THE ASSESSMENT

The assessment is made up of two types of questions. There are multiple choice and True/False. Users only need to select the appropriate answer and click next to move onto the next question.

Each screen containing a question will present the user with the following information:

- The number of the question they are currently viewing
- The number of questions remaining
- The question
- The choice of answers
